

Four for One Special!!!

Help the CSC and the University as well as your Club, Residence Hall, Community Service Agency, and your own pocketbook at the same time!

The Center for Social Concerns and the University are seeking accurate and timely information on the travel times being experienced by students using the Transpo bus system to engage in service at local agencies.

Each time you ride the bus to a local service agency from now until Saturday, October 8, write down your exact arrival and departure times and locations, as well as any comments about the service, on the form below and return the information to the *Center for Social Concerns* to qualify for four drawings on October 10. If your name is drawn, the following prizes will be awarded:

\$100 to the local Agency

\$100 to your ND Residence Hall (or \$50 in Domer Dollars for off-campus students)

\$100 to Student Club or Class

2 round-trip tickets to Chicago on the Amtrak South Shore train for you and a friend!

(No limit on the entries qualifying for the individual drawing. Agency, residence hall, club, or class entries will be limited to a maximum of 12 qualifying entries for each by a particular agency, club, hall, or class. All entries are subject to attendance verification at agency).

* PLEASE FILL THIS OUT WHILE RIDING THE BUS (not after your trip is completed)*
