

AME20290: Career Choices in Mechanical Engineering

In Class Assignment, sophomore students work in small groups (4-6)

As a group meet 1 time for ~30 minutes

Review the [Virtue Ethics Primer](#) - what speaks to you?

Create 1 Google Slide that explains how virtue ethics may contribute to:

- (1) Interview responses / and present yourself as a Notre Dame Engineering Student
- (2) How this would influence your future career decisions

Share the group slide with Professors

<we will combine and have a discussion in a later class - Sharing Successes>
